

Special Parent Talk
Help to Keep your Child Safe Online

Wednesday, March 30, 2016, at 6.30 pm
at Hanover Street School

Our children live in the Internet Age. They love to use technology and play the latest games. However, it is not always easy for parents and carers to understand what they are doing and how we can help to do the right things to keep them out of danger.

Hanover Street School Parent Council is hosting a Special Internet Safety Talk, which is open to all parents.

The talk is being given by Paul Hay, who is a specialist in Internet Safety. He will tell you:

- **How young people use the Internet.**
- **How children use programs such as Club Penguin, Moshi Monsters, Minecraft, Facebook, and Instagram**
- **How information young people post can be misused by people who are not their friends.**
- **What you, as parents, can do to help keep them safe.**

Instagram

Above all it will give you as parents and carers the confidence to help your child get the most benefit and enjoyment from the internet while keeping safe.

Topics will be discussed in language we as parents understand. No technical or computer knowledge is required or expected. Refreshments will be provided.

If you would like to book a space on this session, please complete and return the reply slip to the School Office.

You are welcome to bring a friend or adult family member with you.

Help to Keep your Child Safe Online. March 30, 2016

I would like to book places for this session, to be held in Hanover Street School.

Name

Child/ren's name(s) and Class

Is there a particular question on e-Safety that you would like answered? Write it here and we will do our best to have Paul answer it on the day.
