

Child Protection in Hanover Street School

The safe wellbeing of the children here at
Hanover Street School
is of extreme importance to us.

Our staff must at all time be vigilant for signs
which may indicate that a child is at risk from abuse
and are trained to act upon their observations.

We have a detailed Child Protection Policy in school,
which any member of staff will be able to share with you.

Our Head Teacher,

Mr Alan Markey

is the designated person with responsibility for child protection in school.
