

The 5 “Getting it Right” Questions

1. What’s getting in the way of this child’s wellbeing/ achieving their potential?
2. Do I have all the information I need to help this child?
What additional information do I need?
3. What can I or my team do now to meet their needs?
4. What can my service (School/Council) do to help this child’s needs?
5. What additional help – if any – may be needed from others?
