Special Parents' Information Talk Help to Keep your Child Safe Online

FORTNITE

Harlaw ASG

At Harlaw Academy on Wednesday 20th March 7pm – 8.30pm

And

At Broomhill School on Thursday 28th March 7pm – 8.30pm

Our children and young people live in the Internet Age. They love to use technology and play the latest games. However, it is not always easy for parents and carers to understand what they are doing and how we can help to do the right things to keep them out of danger.

All schools in the Harlaw ASG will be having a Special Internet Safety Day. The children and young people will learn about going on line and how to keep safe.

MINECRAFT

It is important that parents are also involved so they are able to help their children and young people when they are at home. We invite parents and carers to attend one of two opportunities to hear a special talk. One will take place at Harlaw Academy and the other at Broomhill School.

The talks are being given by Paul Hay, who is a specialist in Internet Safety. He will:

- Explain how young people use the Internet.
- Show how children use programs such as Moshi Monsters, Minecraft, Roblox, Instagram and SnapChat
- Describe how information young people post can be misused by people who are not their friends.
- Explain what you, as parents, can do to help keep them safe.

Instagram

Above all, it will give you as parents and carers the confidence to help your child or young person get the most benefit and enjoyment from the internet while keeping safe.

Topics will be discussed in language we as parents understand. No technical or computer knowledge is required or expected.

We look forward to seeing you on the 20th or 28th March.
