Dear Parents/Carers

Welcome to our school, and therefore the Hanover Street team! As parents, you have been and will always remain the first and main on-going educators of your children. Therefore parental partnership now, and in the years ahead is the key to success for your child.

'Parents, carers and families are by far the most important influences in a child's life. Parents who take on a supportive role in their child's learning make a difference in improving achievement and behaviour.'

#### (Guidance on the Scottish Schools (Parental Involvement) Act 2006)

We know that, for the most, moving schools/year groups is an exciting time. We also acknowledge that for some, it can be emotional and overwhelming, and a few parents and children may have some anxieties about this change. Throughout your welcome here, we hope to give to the necessary information to make you and your child's start at Hanover Street School as smooth and as easy as possible.

We hope that this booklet will be a useful tool for you to refer to, leading up to and after your child has enrolled and started with us. If you feel you require any further information at any point, please contact the school office where they will direct your query to the relevant people.

Finally, thank you very much for your continued support in your child starting school.

Yours sincerely The Senior Leadership Team (SLT)

It is also very important that children are collected on time. Young children can become confused and upset if they are left at school once all their classmates have left.

If you are going to be late for any reason, please contact the school office as soon as possible. If your child is to be collected by anyone other than their parent/carer you must let the school know too.

If you are unable to collect your child, please ensure your child knows who he/she is going home with.

For health & safety reasons, dogs are not permitted in the school grounds.

# H – HAPPY & HEALTHY

#### **Health Promoting School**

As a health promoting school we reinforce a positive message encouraging healthy habits to children through the activities, experiences, snacks and drinks provided. In doing so, we hope to support you, the parent, in developing good lifestyles choices and eating habits for your child.

#### Playtime and Lunchtime

Unless the weather is excessively icy, wet or windy, children will be expected to play outside during playtime and lunchtimes, Children should be sent to school with appropriate outerwear to suit the weather and/or time of year.

#### Snacks/"Playpieces"

Children can bring a snack to school for their "play piece".

A piece of fruit is what we encourage. As we are a health promoting school, crisps, sweets, biscuits, etc. are discouraged. Also, it is only a

short time between break and lunchtime; if the children are eating only fruit they

are more likely to enjoy a hearty lunch.

Water bottles can also be brought in by the children, but we do ask that it is only water that is kept in them.

#### School Meals

Aberdeen City Council use a 3 or 4 weekly cycle menu. More information can be viewed on http://www.aberdeencity.gov.uk/schoolmeals/

In Scotland, school meals are provided free for every child in Primary 1-3 and are offered once the children begin all day attendance. School meals are cooked within our own kitchens. The children are offered a choice of 3 main courses and a dessert each day. A non-meat dish suitable for vegetarians is always one of the main courses on offer. Menus are sent home with the children and are always available to download from the school website.

\*Please let us know if your child has any allergies or religious reasons for avoiding certain foods – for these reasons, a special diet can be requested.

#### Packed Lunches

If you prefer, you can provide a packed lunch for your child. Please make sure that they can open packages and boxes with as little help as possible. Where children bring a packed lunch to school, parents are responsible for ensuring that lunch box contents are stored at the correct temperature, by including an ice pack where necessary. We ask that waste food and packaging are taken home with the children each day.

<u>Sickness</u>

Please do not be persuaded by an unwell child that – "they want to come to school." Bringing a sick child to school puts all the other children and staff at risk. Children should not attend school for **48 hours after the last bout of any vomiting or diarrhoea**.

#### Head Lice

We encourage the regular checking of heads for live head lice and eggs (nits). We offer termly reminders via newsletters/text messages. If you receive a reminder this does not mean there is an "outbreak" in school. Please, if you discover live head lice, do inform the school so that we can monitor the spread of any infection, and whilst maintaining confidentiality, can make other parents aware. Our "<u>Management of Head Lice Prevention & Infection Policy</u>" is available on our school website.

#### **School Health Service**

The school works closely with the School Health team, employed by NHS Grampian. The team includes the school nurse and the school doctor. They work in close liaison with teachers and other health professionals to support the children and families. More information on the School Nursing Service can be found here:

https://www.aberdeencity.gov.uk/sites/default/files/2020-06/School%20Nursing%20Service.pdf

#### **Medication**

If your child needs medication at school, whether this is regular or infrequent, we are not able to administer it until the relevant permission forms and instructions are completed, as per our <u>Administration of Medication Policy</u>. These can be collected at the school office.

#### Tooth Brushing – Childsmile!

Childsmile aims to improve the oral health of children in Scotland and reduce health inequalities.

At Hanover Street, our tooth brushing programme begins in the nursery and continues through to the end of Primary 2. All the children are given their own toothbrush and teachers dispense the toothpaste and supervise the brushing. Brushing takes place whenever it is suitable for the class but it is recommended half an hour before or after food.

A letter is given to parent/carers informing them of the school/nursery participating in the tooth brushing programme. \*If you do not want your child to take part in this, please write to the school within 2 weeks of receiving the letter.

A consent pack will be sent from Childsmile regarding consenting for the fluoride varnish which happens twice a year.

#### Runny Noses

As I'm sure you can imagine, we have many runny noses throughout the school year. We would thoroughly appreciate it if you could provide a box of tissues on occasion to encourage the best possible hygiene in class.

#### Physical Education (P.E.) or "Gym"

The Scottish Government recognises the positive impact physical education can have on a pupil's health, educational attainment and life chances and that it can form a key element of a school's plan to deliver the broad health and wellbeing outcomes and experiences contained within Curriculum for Excellence.

Hanover Street is committed to ensure, as much as possible, that every school pupil will benefit from at least 2 hours of physical education, per week, in primary school. We have an experienced P.E. Specialist, Mrs Armstrong, who works in tandem with the class teacher to deliver these 2 hours over the period of a week.

For health and safety reasons, we ask that children have a suitable gym kit.

This is furthered detailed in the SAFE section of this booklet.

#### **Clubs & Activities**

We work closely with SportScotland and the Active Schools Network who help to develop and support the delivery of quality sporting opportunities for our pupils.

Throughout the session, your pupil may have opportunities to take part in sports/physical activities either during lunchtime and/or after school. In recent years, these clubs have included athletics, basketball and multi-activity club.

#### \*Currently, there are no after school clubs, in line with Scottish government guidance

# N – NURTURING

As a school, we are increasing our awareness of the 'nurturing approach' and embedding it further into our policies and practices.

There are 6 principles of nurture:

#### What does this mean for you and your child?

At Hanover Street School, when your child needs care, comfort and guidance, we give it to them. We talk, we listen, and we positively reinforce routines, expectations and boundaries, looking for solutions to any problems. In comfort, we may give hugs (or in our Aberdeen dialect, a "bosie!"), put arms round shoulders, give pats on backs, sit the children on our knee, etc., as the needs of the child dictate. Please, if you would like us not to hug your child in the event of them being upset, do let us know!

#### Wrap Around Care/Breakfast/After School Club

We do not have a breakfast or after school club at Hanover Street School. There are various childminders in the area, who offer this care facility.

### **O –OUR COMMUNITIES** (BEING PART OF & INVOLVED WITH THEM)

At Hanover Street, we believe we are part of and contribute to our communities on all levels:

- Local
- National; and
- International & Global

On our current school roll, over 55% of our pupils come from other cultures, speaking English as an additional language. We are therefore very well placed to promote the concepts of Learning for Sustainability and developing Global Citizens, a key part of Scotland's Curriculum for Excellence.

#### What is global citizenship?

It is a way of living that recognises our world is an increasingly complex web of connections and interdependencies. One in which our choices and actions may have repercussions for people and communities locally, nationally or internationally.

Global citizenship nurtures personal respect and respect for others, wherever they live. It encourages individuals to think deeply and critically about what is equitable and just, and what will minimise harm to our planet. Exploring global citizenship themes help learners grow more confident in standing up for their beliefs, and more skilled in evaluating the ethics and impact of their decisions.

#### What is a global citizen?

A Global Citizen is someone who:

- is aware of the wider world and has a sense of their own role as a world citizen
- respects and values diversity
- has an understanding of how the world works
- is outraged by social injustice
- participates in the community at a range of levels, from the local to the global
- is willing to act to make the world a more equitable and sustainable place
- takes responsibility for their actions.

To be effective Global Citizens, young people need to be flexible, creative and proactive. They need to be able to solve problems, make decisions, think critically, communicate ideas effectively and work well within teams and groups. These skills and attributes are increasingly recognised as being essential to succeed in other areas of 21st century life too, including many workplaces. These skills and qualities cannot be developed without the use of active learning methods through which pupils learn by doing and by collaborating with others. These are key aspects to the Curriculum for Excellence.

This information is taken from: <u>http://www.ideas-forum.org.uk/about-us/global-citizenship</u>

The International Development Education Association of Scotland (IDEAS) is a network of organisations and individuals involved in Development Education and Education for Global Citizenship across Scotland.

#### English as an Additional Language (EAL) Service

The EAL Service supports learning and teaching of pupils with a home language other than English (bilingual pupils) so that they reach their full potential. The Head Teacher will contact the EAL Service for an initial assessment visit to decide on the level of support the child will need. The service responds to referrals from schools in a flexible way through:

- consultation, initial assessment, advice on materials and staff support;
- teaching beginners' groups at the EAL service premises or in their own schools;
- teaching pupils who have basic competence in English (Stage 2) and improved competence in English in the mainstream classroom from P1 to S6;
- teaching SQA English for Speakers of Other Languages (ESOL) certificated classes.

#### Home/School Communication Methods

We consider our daily contact with you to be vitally important - time for us both to exchange information – for the benefit of your child. It is helpful to share with staff any special events, or problems, happening out-with school weddings, illnesses/deaths, family splits etc. If we are informed, we can help your child should they become unsettled. Please use the Reading Homework Diary that your child will receive to note down any gueries/concerns. You can also contact the class teacher via the online education platform, Seesaw.

#### Schools Information Line

Aberdeen City schools provide a telephone information service for parents/guardians. This is the **Schools Information Line.** 

The main features of this service are: *Emergency Arrangements Message for Parents and Guardians* (To be used to inform parents/guardian of emergency arrangements and important announcements, e.g. early closure arising from adverse weather conditions/failure of heating system.)

#### Voicemail for Recording Non-urgent Messages from Parents/Guardians

The system also has the potential to record brief messages of a routine nature from parents/guardians. We are not using this feature.

#### List of Messages containing School Information

This could hold routine information for parents/guardians, e.g. the times for a Parents Night, School Concert details, etc.

Parents/Guardian can access these features by dialling this National Rate number: **0870 054 1999** A Council message will be heard followed by a request for a six-digit PIN number specific to **Hanover Street School** – this is: **011390**.

Once connected, a voice will speak out the name of the school and a series of prompts will guide you to the appropriate options.

The cost of the class is no more than 10p/call (landline calls)

#### School Closure Website Address

Parents can access the School Closure list by going to <u>www.aberdeencity.gov.uk/school-closures</u> Parents are also advised to listen to school closure announcements on North Sound, Original 106 and/or BBC Scotland radio stations.

#### Pupil and Parent Participation

Children's Rights- Article 12 Every child has the right to say what they think in all matters affecting them, and to have their views taken seriously.

We respect and appreciate **pupil participation** in developing the life and accomplishments of the school. Your child will receive opportunities to participate in various committees, groups, and activities to widen their experience, and most importantly, to let their voice be heard. In these groups, we encourage **parent participation**. If you have a certain skill, interest or passion for any of the following, do let us know, so that we can benefit from your parental participation too!

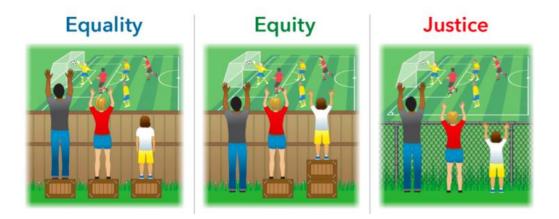

- Pupil Council
- Eco-Committee
- Rights Respecting Steering Group
- After-School/Lunchtime Clubs
- Library Groups
- House Groups and Captains (Duthie, Hazlehead, Seaton & Westburn)

# E – EQUITABLE

Delivering Excellence and Equity is a key aim in Scottish Education. It is supported by international, national and local legislation.

#### Additional Support Needs (A.S.N.)

We at Hanover Street aim to identify and support any additional support needs children may have, be it social, emotional, behavioural or academic, short or long-term. If you feel your child is requiring further support in any of these areas, please speak to the class teacher in the first instance. As a school, we can access the support of other agencies and professionals to support these needs. These may support individual children, but also the wider family.

#### English as an Additional Language (E.A.L.)

We have teachers and Pupil Support Assistants who support children with E.A.L. They support children with talking and listening, reading, writing, phonics and spelling. We have, and value, the many different languages being spoken at Hanover. We believe it adds to the culturally diverse and vibrant nature of the school. If any pupils are struggling in their understanding, we do our best to ask an older pupil to come and translate, if/when necessary.

# **R** – RESPECTED & RESPONSIBLE

We always promote a respectful relationship and culture between:

- Pupils and pupils
- Pupils and all staff
- Pupils and parents
- Parents and all staff
- Pupils, parents and the wider community

Aberdeen City Council Schools are committed to becoming "Rights Respecting Schools (R.R.S)" where we make children, parents, staff and the wider community aware of the United Nations Convention for Rights of the Child (UNCRC).

We are a "Rights Committed (Bronze Level)" School. We aim to take R.R.S. further (to Silver or Gold level), embedding it into our curriculum and wider school activities. Look out for more information coming to you about this, soon!

#### Anti-Bullying Policy

Hanover Street School is opposed to all forms of bullying behaviour, be this physical, verbal, threatening and intimidating behaviour or ostracism from groups, games or activities, and we will do everything in our power to prevent such behaviour amongst our pupils, and to deal effectively with any incidents which might occur. For further information, please refer to our school's <u>Anti-Bullying Policy</u>.

#### Positive Relationships & Behaviour Policy

All young children respond favourably to praise and recognition, along with clear, and firm but fair boundaries. Our staff will deal with your child in a kind and caring manner. Similarly, the children are encouraged to treat each other and adults with respect and to be kind and caring.

We ask that parents co-operate with us in encouraging children, by offering praise when their child copes with a difficult situation, achieves a goal, masters a new skill or behaves well.

Promoting rights, respect, resilience and providing praise within nurturing boundaries are all key parts of our <u>Positive Relationships & Behaviour Policy</u>. In this policy, we state clear expectations for staff, parents and pupils. These are detailed overleaf.

Embroidered school sweatshirts, polo-shirts, fleeces, book bags, gym bags and a range of other items can all be purchased from <u>Abstitch</u>.

Parents are welcome to pop into the shop and try on samples which are kept separately for this purpose (and quarantined afterwards).

If buying from other shops/supermarkets, the primary school colours are: **navy, grey & pale blue**.

The basic clothing should consist of:

- Girls polo shirt, blouse, skirt, pinafore, trousers grey/navy/black jumper, cardigan grey/navy
- Boys polo shirt, shirt, trousers, shorts grey/navy/black jumper grey/navy

There is an expectation that pupils wear these colours from Primary 1 to Primary 7.

We aim to promote responsible, respectful behaviours towards property, belongings, and each other. We strongly recommend that ALL garments are labelled clearly.

Clear labels will help us return any misplaced items to you. Thank you.

Further information about school uniform can be found on our school website: <a href="https://hanover.aberdeen.sch.uk/our-school/school-uniform/">https://hanover.aberdeen.sch.uk/our-school/school-uniform/</a>

**Uniform Bank** 

The school also has a uniform bank, where families can receive second-hand school uniform items for free. Please consider donating any old but good condition uniform pieces.

costs of school clothing and footwear if you receive certain benefits.

The current grant is £120 for primary school and £150 for secondary school pupils. More information

To look after our school uniform, an overall (old shirt) is recommended for art.

#### Name Labels

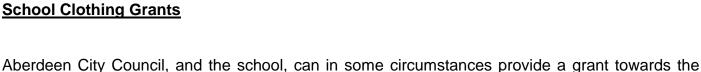

It is important that all belongings are labelled. Lost property is emptied termly. Please label all shoes, jackets and uniforms to avoid loss of items.

#### Pupil Belongings - Valuables/Jewellery

Due to COVID-19, children are very much discouraged from bringing unnecessary toys and objects in from home.

Valuable possessions (including toys) should **not** be brought to school unless parents are prepared to accept the risk of damage or loss as the school is not insured for these purposes. Pupils are discouraged from wearing jewellery for health and safety reasons. Stud earrings are permitted but any other form of jewellery is not advisable. It is stressed that these measures are taken to ensure the safety of the children in our care.

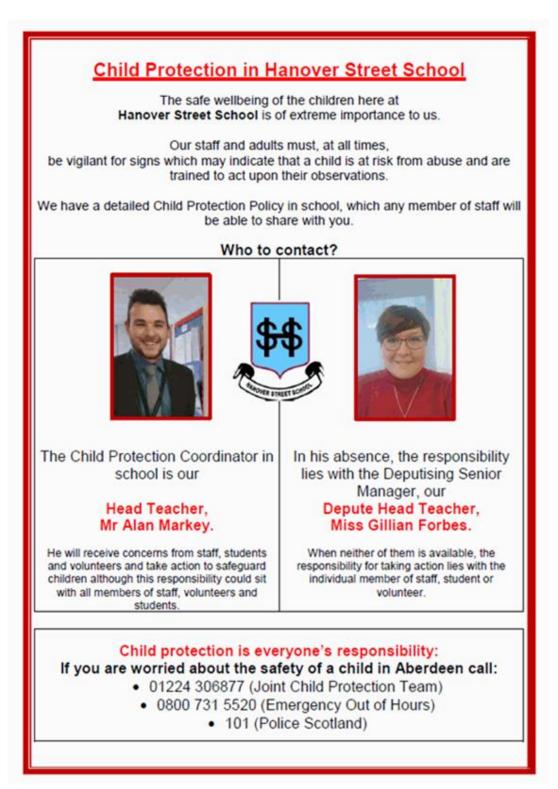

### <mark>S – SAFE</mark>

#### **Child Protection**

Schools are required by law to report any suspected harm done to a child by possible abuse. Every school has a named senior member of staff appointed responsible for Child Protection matters. GIRFEC legislation refers to this as the '*Named Person*.'

In our school that person is the Head Teacher, Mr Markey. Or, in his absence, it is Miss Forbes, Depute Head Teacher.

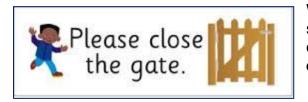

#### Health and Safety

Safety takes a high priority in school. Our main school doors are locked, this means that when you require entry you will have to buzz for attention.

When travelling to and from school you can encourage good road safety habits by using the marked crossings, which are patrolled by our lollipop people and by always holding your child's hand when crossing roads.

We ask also that when entering/leaving school, that the school gate is shut behind you and ask that **parents and children should not use the school car park/gate to enter the playground**.

#### Playground Safety

If your child has an accident in the playground, he/she will be treated by a first aider. Your child will be given a head injury slip, which will inform you of the nature of the accident and the treatment given. We will attempt to notify you by telephone of any serious injuries.

During lunch/break times children will be expected to play outside unless the weather is excessively icy, wet or windy. Children should be sent to school with appropriate outerwear to suit the time of year.

In accordance with Aberdeen Council's Health & Safety Policy, children will not be allowed to make ice slides in the playground nor throw snowballs.

#### Lining Up

We ask that parents stand back, away from the lines, to allow the teachers to easily see and access their classes.

At the end of the day, we ask that parents wait outside the gate areas, 2m apart from other adults and families.

If you would like to discuss things with the teacher, it would be

appropriate to make an appointment first. The Class Teacher has been advised to limit unnecessary contact with parents and also, may have after school commitments such as staff meetings, professional development training, etc.

#### Anti-Bullying Policy

Relationships in school should be characterised by respect, kindness and consideration. In our school, all adults, children and young people have a responsibility to help each other to develop positive attitudes and behaviour, and to avoid using their power to bully or to prevent others from learning. Everyone has the right to feel valued and respected, and to develop self-esteem, a sense of belonging, and a feeling of being safe.

Our responsibilities are set out in the United Nations Convention on the Rights of the Child:

# "Children have the right to be protected from being hurt and mistreated, physically or mentally. Governments should ensure that children are properly cared for and protect them from violence, abuse and neglect by their parents, or anyone else who looks after them." (Article 19)

UNICEF are promoting Rights Respecting Schools which not only teach about children's and human rights but also model rights and respect in all their relationships: adults-pupils; pupils-adults; pupils-pupils.

School staff play an important part in helping young people to develop mature and happy relationships, which is an important part of the curriculum and central to their present and future success in life. Schools are places where young people can learn and practice the skills of positive interpersonal relationships.

Positive relationships among all members of the school community produce an environment that is conducive to all aspects of learning and without which learning can be greatly impeded. We do not tolerate bullying behaviour of any kind.

The school will treat all reports of bullying seriously and will investigate these appropriately.

We are currently finalising our school's Anti-Bullying Policy. In the meantime, we follow Aberdeen City Council's Education and Children's Services Anti-Bullying Policy, which can be found here: <a href="https://www.aberdeencity.gov.uk/services/education-and-childcare/school-life/anti-bullying-policy">https://www.aberdeencity.gov.uk/services/education-and-childcare/school-life/anti-bullying-policy</a>

It is also available on our school website.

#### Anti-Weapon/Knife Policy - Life Not Knife Campaign

In Aberdeen City Council schools, the safety and wellbeing of all pupils, staff and visitors is of paramount importance and we ensure that Hanover Street follows the correct procedures in order to minimise risk. A zero tolerance approach to the possession of a weapon or knife in school has been implemented in order to ensure, as far as possible, that pupils, staff and visitors are kept safe from harm.

Within our curriculum we will educate all pupils on the risks of weapon/knife crime and the serious consequences of carrying an offensive weapon. Aberdeen City Council's Anti-Weapon/Knife School Rules are available <u>here</u>.

#### Accidents/First Aid

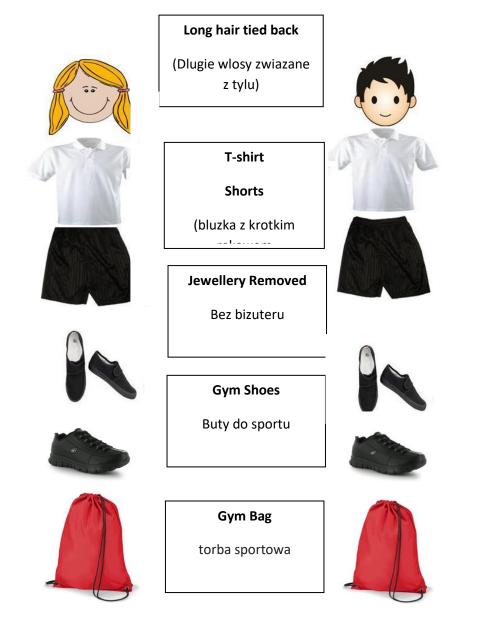

If your child has an accident in the playground or becomes ill during the day, he/she will be treated by a first aider. For "head bumps", your child will be given a head injury slip, which will inform you of the nature of the accident and the treatment given. We will attempt to notify you by telephone of any serious injuries. (Please ensure that you keep the school updated of any change in your emergency contact details/new mobile phone number.)

#### Physical Education (P.E.)/Gym Kit

For health and safety reasons, we ask that children have a suitable gym kit. This should consist of:

- a drawstring gym bag
- slip on gym shoes
- shorts
- hair bobbles/bands for tying up hair
- micropore tape for covering earrings otherwise to be removed; (see jewellery code of practice) and
- spare pants/trousers/tights/skirt in case of any "accidents".

#### \*AGAIN, PLEASE LABEL ALL CLOTHING (GYM KIT AND SCHOOL UNIFORM) CLEARLY.

\*Currently, Physical Education lessons will take place outdoors. Children are asked on PE days, to arrive in school in outdoor play clothes (e.g. jogging trousers, leggings, hooded top), to prevent the need for changing.

#### Code of Practice for Jewellery in Physical Education

#### Introduction

Aberdeen City Council (ACC) recognises its duty to ensure, so far as is reasonably practicable, the health, safety and welfare of employees and those affected by its activities. The wearing of personal effects, such as jewellery and watches, can present risks of injury to the person and / or others involved in an activity. Exposure to the risk of injury from such items can principally occur in Physical Education.

#### Code of Practice Aim

To ensure that employees and others, such as school pupils, taking part in Physical Education lessons are aware

- of the hazards of wearing jewellery & watches
- that control measures are in place to avoid the risk of injury
- that to enable individuals to understand that, as well as the right to protection, they also have to exercise responsibility

#### Code of Practice Scope

This policy applies to all Council schools where persons who are wearing jewellery and watches can potentially expose themselves and others to the risk of injury while taking part in Physical Education.

#### PROCEDURE

The following advice has been checked by our legal team. It applies to ALL body jewellery and watches and is to be followed by all schools.

### 1. There should be risk assessments in place for all PE activities e.g. rugby, football, hockey, etc.

The risk assessments should be made specific to each activity. Wearing of jewellery should be identified as a hazard in each risk assessment with a subsequent control measure (exemption from activity, removal/cover-up of jewellery/watch, adjustment to activity, etc.). The risk assessments should be written.

#### 2. All schools should follow the advice of the Association for PE as follows:

### The basic rule is that all jewellery should be removed as this then removes that particular hazard.

Where an item of jewellery cannot be removed then it is the adult teaching the group's responsibility to try to establish a safe situation to enable participation by considering how, or if, the context can be made safe by amending the task, conditioning the activity or creating some other management strategy to make participation safe. Where safe participation cannot be assured then the pupil cannot take part in that element of the lesson.

It is good practice to regularly ask if anyone is wearing body jewellery. If they disclose this then the process of removal or considering whether safe participation can be made possible should apply. If there is no disclosure but some body piercing is seen during the session then from that point the process above needs to be applied – remove, make safe or take no further participation in aspects of the session that would put the wearer or others at risk.

Pupils should remove their own jewellery. This should be made clear to parents and carers. If the child is unable to do this themselves, they should not wear any. School policy should explain this to parents from the outset.

#### 3. The basics of the above to be displayed in PE changing rooms, gyms etc.

#### 4. PE teachers should remind classes of this at the start of every lesson.

If teachers/schools follow the advice above, and risk assess, there should be no comeback if a pupil hides jewellery then has some jewellery related injury.

# Jewellery in PE Lessons

- All jewellery should be removed in PE.
- Where an item of jewellery is considered a hazard and cannot be removed or made safe, then the pupil cannot take part in that part of the lesson.
- If the pupil does not admit to wearing jewellery, but some body piercing is seen during the session, then from that point the pupil must remove, make safe or take no further part in aspects of the lesson that would put the wearer or others at risk.
- Pupils must remove their own jewellery. If pupils are unable to remove their own jewellery they should not wear any.

# T – TEAMWORK

#### Welcoming and Including Parents

Finally, this induction is not simply all about your children! As parents, you are a hugely valued part of the school community – you have been your child's first teachers and provide the main role-model in their lives. It therefore makes sense that we work together as much as possible. Your support is greatly appreciated.

#### Parent Council

Hanover Street School has an active Parent Council, which relies on the support of every parent in the school. You are a member of the Parent Forum and will receive regular updates on its activities. Please try to help by becoming involved and supporting organised events.

The role of the Parent Council is to:

- support the school in its work with pupils;
- represent the views of all parents;
- encourage links between the school, parents, pupils, pre-school groups and the wider community; and
  - report back to all the parents in the school (parent forum)

#### Parent Helpers

#### \*Parent helpers are not currently permitted, due to potential risk of cross-infection of COVID-19

We hope that many of you will consider lending a hand as a parent helper in school, either on an ad hoc or regular basis. Aberdeen City Council requires all parent and adult helpers in school to complete a disclosure application before helping in school. If you'd like to help in any way, please see the class teacher.
